

Rental Policy

- Facility rental rates are for individual activities or practice times for players. It is against our policy to sub-rent our fields or run other activities with lucrative means without the specific prior approval of SNF management.
- Recurring rental discounts are only valid within the specific SNF calendar for doing business. All hours are booked in advance for discounts to apply. If additional hours are added after the contract has been executed the discount may not apply.
- Recurring rentals require full payment at the time of the first rental plus a minimum 50% deposit for the subsequent rental. If payment is not received at the due date, a \$50 fine may be assessed and your rental contract can be terminated.
- We ask you to please end your rental at the allotted time. Further use of our facilities beyond the agreed upon time will constitute in additional billing or possible cancellation of your rental with SNF.
- All customers are highly encouraged to abide by all other Sports Network and Fitness rules and are required to complete our Facility Pass and Waiver form.
